

**REPORT OUTLINE
SEG GAC REGIONAL COORDINATORS AND COUNTRY REPRESENTATIVES
MARCH, 2008**

Name of Region or Country	EGYPT
Name of Coordinators/Representatives	Hatem Farouk Ewida
Specific Goals and Accomplishments for the year 2008	<p>1- Support an increase in SEG membership 32 new members have joined the SEG (23 AS, 3 AC, & 6 ST)</p> <p>2- Graduate development project (Al Amal project). 20 new graduates have been practically trained for about 3 months at the Egyptian Geophysical Society premises. The main aim was to qualify them and better introduce them to the working companies. About 19 of them already joined different companies after graduation.</p> <p>3- DISC 2007 60 participants attended the DISC, 6 of them are students.</p> <p>4- Contact different universities for more student sections and SEG scholarships.</p>
Sections	
Number of members	
Active leaders	
Planned meetings and speakers this year	
Next year's event schedule	
SEG Support needed?	
SEG Sponsorship needed?	
Annual Meeting Representative	
Candidate/s available to participate in the Council	
Student Sections	
Number of members	125
Active leaders	
Student faculty advisors	
Planned meetings and speakers this year	
Next year's event schedule	
SEG Support needed?	
SEG Sponsorship needed?	
Circulated info on no costs for Student Sections	
General Information	
SEG active members candidates for Honors and Awards	Samir Abdel Moaty
SEG active members candidates for Leaders for SEG Executive Committee and other committees.	
Potential Local Universities for SEG Scholarship	
Contact persons, e-mail or fax	
Potential Local Universities for potential student sections.	Faculty of Science, Alexandria University
Contact person, e-mail or fax.	Dr. Adly Al-Nekheily (Fax: +203 391 1794)
Potential Local Companies that might sponsor SEG	
Newly Emerging Local Companies that might be an exhibitor in the International Showcase	
Geophysical conferences/meetings/symposiums this year	
Geophysical conferences/meetings/symposiums next year	

Membership	
Current SEG members vote on value of their SEG membership (1-5)	
Annual Meeting	1
Publications	2
Web Site	2
International Conferences	1
Continuing Education Programs	0
How can SEG better serve local geophysicists	Cheap publications and local conferences
How can SEG gain new members	More activities, more exposure of the services and benefits.
Petroleum, Mining and Near Surface industries	
major players	Petroleum Industry
major fields or minenary districts	Seismic
politics and the government's role	
geophysics as a career	
Role of Country Representatives and Regional Coordinators	
How can the SEG/GAC better support you in your SEG role	Identifying the facilities and services that can be introduced or provided to the geophysicists and the students with as low cost as possible.

COUNTRY/REGION STATISTICS	
Membership	
Number of SEG members	376
Active	39
Associate	78
Student	125
EM	2
Global	131
LA	1
Remark:	<i>Check figures with the SEG office.</i>
SEG members holding office in the last five years	
chairman of committee	
executive committee	
Remark:	<i>This information can be found in your yearbooks</i>
SEG members receiving a SEG award in the last 10 years	Samir Abdel Moaty; life membership award in 2002
Remark	<i>This information can be found at:</i> http://seg.org/publications/yearbook/distinguished.shtml
Sections	
N	
Name	Egyptian Geophysical Society (Allied Society)
City	Cairo
Remark:	<i>This information can be found at:</i> http://seg.org/sections-societies
Student Sections	
N	5
Name	Ain Shams, Cairo, Al Azhar, Mansoura, & Assiut Universities
City	Cairo, Cairo, Cairo, Mansoura, Assiut cities in turn
