

**SAMPLE REPORT OUTLINE**  
**SEG GAC REGIONAL COORDINATORS AND COUNTRY REPRESENTATIVES**  
**February 2006 – Country Rep Report Due to Regional Coordinators February 28**  
**Regional Report Due March 9<sup>th</sup> to [pterekhova@seg.org](mailto:pterekhova@seg.org)**

Name of Region or Country  
[KOREA, Republic of](#)

Name of Coordinators/Representatives  
[Dr. Park, Keun Pil, President / Dr. Byun. Joongmoo, Country Representative](#)

Specific **Goals and Accomplishments** for your Region/Country for the year  
**[Goals]**  
[Merge with KGS \(Korean Geophysical Society\)](#)

**[Accomplishments in 2005]**

<a href="#">2005. 03. 16. (Thu.) ~ 2005. 03. 18. (Sat.)</a>	<a href="#">Short Course – Seismic Survey</a>
<a href="#">2005. 05. 26. (Thu.) ~ 2005. 05. 27. (Fri.)</a>	<a href="#">KSEG-KGS Joint Symposium</a>
<a href="#">2005. 09. 30. (Fri.)</a>	<a href="#">KSEG Special Symposium - Borehole Geophysics –</a>

State briefly your activities and communications with **Sections** in your Region/Country:  
*How are the sections doing:* number of members, active leaders, meetings and speakers planned for this year and next year's event schedule. What can the SEG do for these sections? Will they send representatives to the Annual Meeting and participate in the Council? Does your country need or want to have SEG sponsorship for those conferences/meetings?

[303 members in KSEG.](#)

[KSEG's plan in 2006 is below;](#)

<a href="#">2006. 03. 15. (Wed.) ~ 2006. 03. 17. (Fri.)</a>	<a href="#">Short Course: Continuing Education for Geophysicists</a>
<a href="#">2006. 06.</a>	<a href="#">KGS-KSEG Joint Symposium</a>
<a href="#">2006. 10.</a>	<a href="#">KSEG Special Symposium</a>

State briefly your activities and communications with **Student Sections** in your Region/Country:  
*How are the student sections doing:* number of members, active leaders and student faculty advisor, meetings and speakers planned for this year and next year's even schedule. What can the SEG do for these sections? Are they aware the membership is free?

[There is no Student Section in KSEG.](#)

**If you have not already done so, please send the following information:**

List names of geophysicists (SEG active members) in your region/country who should be considered for **Honors and Awards and/or Leaders for SEG Executive Committee and other committees.**

[Keun Pil Park, President of KSEG](#)  
[Hee Joon Kim, Vice-president of KSEG](#)

Yeong Sue Park, Vice-president of KSEG  
Byung Ho Lee, Vice-president of KSEG

List **potential universities** in your region/country to be added to **SEG Scholarship** mailing list or or potential student sections. Please include an email a contact person and e-mail or fax.

List **potential companies** in your country that might **sponsor** SEG activities or **newly emerging companies** that may wish to be an exhibitor in the **International Showcase**.

None

List geophysical **conferences/meetings/symposiums** that have taken place in your Region/Country this year and plan to take place next year.

>> **Conferences/meetings/symposiums held in 2005**

2005. 03. 16. (Thu.) ~ 2005. 03. 18. (Sat.)	Short Course – Seismic Survey
2005. 05. 26. (Thu.) ~ 2005. 05. 27. (Fri.)	KSEG-KGS Joint Symposium
2005. 09. 30. (Fri.)	KSEG Special Symposium - Borehole Geophysics –

>> **Plan in 2006**

2006. 03. 15. (Wed.) ~ 2006. 03. 17. (Fri.)	Short Course: Continuing Education for Geophysicists
2006. 06.	KGS-KSEG Joint Symposium
2006. 10.	KSEG Special Symposium

### **Membership:**

Briefly describe your opinion on what **current SEG members** in your Region/Country “**value**” about their membership in the SEG? (Annual Meeting, Publications, Web Site, International Conferences, Continuing Education Programs, etc.).

How can SEG **better serve geophysicists** in your Region/Country and **gain new members**? Please list **projects or ideas** you may want to pursue (based on discussions with colleagues, section and student section leaders)..

### **Oil and Gas Industry:**

Briefly describe the **general status of the oil and gas industry** in your Region/Country (i.e., major players, major fields, politics and the government’s role, geophysics as a career).

[Major Players]

Korea National Oil Corporation: <http://www.knoc.co.kr/eng/index.php>

Korea Gas Corporation: <http://www.kogas.or.kr/ENG/index.html>

SK Corporation: <http://eng.skcorp.com/>

Percentage of oil production (compared to rest of world) and/or other geophysical activity – by country:  
Almost 0%

(Estimated) Number of geophysicists graduating per year countrywide:  
About 10 with Master's degree  
About 2 with Ph. D's degree

(Estimated) Number of geophysicists working in the country:  
About 800

Geophysical challenges for country:  
Oil/Gas development, Gas Hydrate development, base survey for construction, non-destructive survey for buildings, bridges, and culture properties, etc.

Is Web Access readily available for students and/or working geophysicists:  
Yes

Salary range of Geophysicists – 10 years in the field:  
About 20,000 dollars for freshman in usual geophysical corporations

*SEG continuing education programming (in the last five years) – SEG office will provide*

*Accepted authors for SEG annual meeting (last three years) – SEG will provide*

*Conferences sponsored by SEG held in this country (in the last five years)– SEG will provide*
